

CLIENT & PROJECT

BRUNEL & ASSOCIATES LLP ARE A FINANCIAL ENTITY & ACCOUNTING FIRM THAT DEALS WITH A RANGE OF CORPORATE FINANCE, TAX & PAYROLL SERVICES. THEY WANTED TO STREAMLINE FINANCIAL STABILITY FUNCTIONALITY. ENSURING COST-EFFECTIVE MANAGEMENT SYSTEMS THAT EXHIBITED RELIABILITY, SAFETY & COMPLIANCY.

WHAT WE DID

THEY ALREADY HAD AN EXISTING FULLY FUNCTIONAL SYSTEM TO HELP MANAGE CLIENTS, PAYROLL & MONETARY ACCOUNTS, BUT AS THE BUSINESS EXPANDED THE NEED FOR UPGRADING WAS ESSENTIAL. CHALLENGE WAS TO SUPPLY A SYSTEM THAT INTEGRATES WELL WITH EXISTING SOFTWARE, TO INCORPORATE THE DATA MORE SUFFICIENTLY.

WE AMENDED THE TIME & ATTENDANCE SYSTEM TO MAKE IT MORE APPLICABLE TO THE BUSINESS. IT INVOLVED TAKING AWAY ONE ELEMENT & ADDING ANOTHER, INPUTS/OUTPUTS WERE CONSIDERED. WE BUILT A SYSTEM SUITABLE FOR THE GROWTH AND NEEDS PROCESSES.

WHAT WE DID

"WE ARE MORE THAN HAPPY WITH THE SOFTWARE. THEY UNDERSTOOD WHAT WE NEEDED FOR GROWTH. THE TIME & ATTENDANCE SYSTEM WITH THE TWEAKS WAS JUST WHAT WE NEEDED. ALSO THE FREE TRIAL ALLOWED US TO TRY IT FIRST."
